

Roadside Assistance Card Replacement

If you've lost your Roadside Assistance Card, there's no need to worry, because printing your replacement card is easy.

- 1 Print your new card and write in your Vehicle Identification Number (VIN) in the space provided**
(this can be found on the driver's side interior dashboard when looking through the windshield)
- 2 Cut it out and fold along the dotted lines and keep it with your vehicle**

Cut along dotted line and detach top portion. Fold bottom card portion along dotted line and keep in your vehicle.

Mitsubishi Roadside Assistance is a new-owner service, provided at no charge to owners of Mitsubishi vehicles during their New Vehicle Limited Warranty period. If it's ever necessary, a Roadside Assistance agent will dispatch a tow truck to your location and provide free service (as listed below) or towing to the nearest Mitsubishi Motors retailer. After the New Vehicle Limited Warranty period has passed, towing is covered and reimbursable if the problem that caused the need for the tow is still covered under an applicable MMNA warranty. See Warranty Manual for details.

- 24 Hours a Day, 7 Days a Week
- Towing for Warrantable Concerns
- Flat-Tire Change
- Emergency Fuel and Fluid Delivery
- Battery and Jump Start
- Lockout Assistance
- Concierge Service

When calling Roadside Assistance, please have the following information available: the exact location of your vehicle, your Vehicle Identification Number (or VIN, printed on the front of this card), your license plate number, a description of your vehicle's problem or condition, and a telephone number where you can be reached.
