Roadside Assistance Card Replacement

If you’ve lost your Roadside Assistance Card, there’s no need to worry, because printing your replacement card is easy.

1. Print your new card and write in your Vehicle Identification Number (VIN) in the space provided (this can be found on the driver’s side interior dashboard when looking through the windshield)

2. Cut it out and fold along the dotted lines and keep it with your vehicle

Mitsubishi Roadside Assistance is free for five years.
